## December 2018

### International Day of Persons with Disabilities

Happy Holidays! For many, this is a time of celebration and togetherness. This month, let's celebrate diverse abilities and promote inclusion for all by recognizing the [International Day of Persons with Disabilities](#) on December 3. Honour all the ways that your school environment supports students, staff and families of varying abilities – and explore areas of possible enrichment. By recognizing people of all abilities and welcoming diversity into our schools, we create school communities where all students have a voice and feel valued.

Need support? Every school jurisdiction in Alberta has an assigned Alberta Health Services staff member to support [Comprehensive School Health](#).
